All private individuals (i.e. not a licensed dealer) who want to bid at auction must be registered in the Athens Auto Auction office and given a Bidder Number before entering the auction lanes to view or bid on vehicles. A \$500.00 deposit is required at registration to be able to bid on any vehicle. You will be given credit for this deposit when you pay for your purchase. If you do not make a purchase the deposit will be refunded to you. When you are the last bidder, and the seller agrees to sell the vehicle at your bid price, you are the winner of the sale. You will then be escorted to the office to pay the balance of your purchase and sign additional documents pertaining to the sold vehicle.

REMEMBER-- DON'T BID ON A VEHICLE
UNLESS YOU PLAN TO PAY FOR IT. THE
AUCTION RESERVES THE RIGHT TO TAKE
LEGAL ACTION AGAINST ANY PERSON BIDDING
ON VEHICLES AND NOT PAYING FOR THEM.
